	\$

SECTION 3

1. Few requests are funded in full. Please describe your source of funds to make up the difference.

2. Describe your previous/present training, schooling and experience in the chosen discipline (representative performances, showcases, exhibits, publications, awards, etc). You may attach a **short** resumé if you prefer; no more than three pages.

3. What are your long-term professional goals and how will the specific study for which you are applying relate to these goals? If you are seeking training somewhere other than an accredited college or university, please enclose a single copy of the brochure.

I have read the Application Requirements document.

I have read the instructions for the application and the work sample requirements for my discipline.

I have completed the checklist at the end of the Requirements document to insure that all of the elements of the application are included in my application packet.
